

Trail Working Group
Minutes, December 16, 2002

Present: Chuck Anderson, Tony Biegen, Allyson Biskner, Otis Calef, Ray Ford, Kerry Kellogg, Kalon Kelley, Art Najera, Chris Orr, Brian Robinson, Jeff Saley, Ray Smith, Kelly Steelman, and Rich Tobin.

I. Meeting was called to order at 4:05 P.M.

II. Options

Brian introduced the various suggested options which had been offered by several members of the Trail Working Group (Tony, Ray and Chuck) in the month since our last meeting. Copies of the options proposed by Ray, Tony and Chuck were handed out.

Initial discussion related to how to organize and discuss the options. Rich suggested he write them down as we go through each of the sets of options and make an overall list which we could turn into a matrix for discussion at next month's meeting.

The entire meeting was spent listing, discussing, consolidating and editing the options so the list could reflect the entire range of options suggested by the group.

At the end of the meeting Rich and Brian agreed to take the list and turn it into a matrix which could be used for discussion at the January meeting.

The matrix was emailed out to each of the TWG members on Friday, January 17 for review before the meeting on Wednesday, January 22.

II. Next Meeting

It was agreed the next meeting would be held on January 22 at a location to be determined. Since then it has been agreed to hold it at the Tynan offices.

III. The meeting was adjourned at 6:00 PM.
